O R D E R

IT IS ORDERED that Marion County Water District ("Marion Water") shall file an original and two copies of the following information with the Commission with a copy to all parties of record by December 31, 1985. If the information requested or a motion for an extension of time is not filed by the stated date, the Commission may dismiss the case without prejudice. Marion Water shall furnish with each response the name of the witness who will be available at the public hearing for responding to questions concerning each item of information requested.

1. Provide a copy of each of the county court orders establishing the Marion County Water District and defining its boundaries.

2. Provide a county highway map at a scale of at least one inch equals two miles marked to show Marion Water's water distribution system. The map of the system shall show pipe-

line sizes, locations, and connections as well as pumps, water storage tanks and sea level elevations of key points. The map shall also be marked to show the location of the water district boundaries and labeled to indicate the appropriate court order from which each boundary was determined.
